

MAX LOAD : 16KG / 35LBS

TOOL-HITCH

TOOL CONNECTOR -  HEAVY

CODE : H01055

ANSI/ISEA 121-2018 COMPLIANT

A simple choking mechanism in four variations allows the Tool-Hitch to secure anything from power tools to crowbars to sledge hammers.

By creating a loop around an enclosed handle, the Tool-Hitch produces a simple but strong and dependable tool connection point.

For application on open spaces, such as a sledgehammer handle, the Single Arm, Dual Arm and Heavy Duty Tool-Hitch variations allow you to anchor the Tool-Hitch in position with the use of V-Gripp Tape.
