

MAX LOAD : 2.5KG / 5.0LBS

TAPE MEASURE LATCH KIT

CODE : H02059

The Tape Measure Latch Kit combines the GRIPPS Tape Measure Latch with the Tape Measure Catch, creating an all-in-one tape measure tethering solution.

Compatible with virtually all tape measure brands from 5m - 8m, the Tape Measure Latch Kit is a robust and compact piece of kit featuring built-in retractor, 2 load rated d-rings, Swivel Catch and a Tape Measure Latch.

Designed for working at height, the Retractable Tape Measure Latch keeps your tools secure and accessible in a lightweight and industrial-grade design. The robust and compact Tape Measure Holster suits all standard tape measure sizes.

Developed in the USA, built-in retractor technology is the result of extensive research and on-site trialling. It features a locking system to remove tension from the tether while working with your tools.

MAX LOAD : 2.5KG / 5.0LBS
